Information on This Web Site

The information contained on this website may include certain “forward-looking” statements with respect to the anticipated future performance of Supernova Energy Inc. and its subsidiaries (collectively, the Company), and are made upon reliance on the Private Securities Litigation Reform Act of 1995, as may be amended from time to time. Such statements reflect various assumptions and elements of subjective judgment made by management concerning anticipated results, which are subject to business, economic and competitive uncertainties and contingencies, many of which are beyond the control of the Company and which may or may not prove to be correct. Our actual business, financial condition or results of operations may differ materially from those suggested by forward-looking statements as a result of risks and uncertainties which include, among others, those risks and uncertainties described in any of our other filings with the SEC. As a result, no representation or warranty is made as to the feasibility of the projected information included on this site. Actual results may differ materially from these expectations due to certain risks, uncertainties and other important factors. We do not undertake to update the forward-looking statements to reflect actual results or changes in the factors affecting the forward-looking statements. The information on this website does not constitute an offer to sell or a solicitation to purchase any securities. Any representation to the contrary is a criminal offense. Content is provided for informational purposes and should not be construed as a substitute for legal or financial advice from a professional advisor.
